# BE BALLSY!

The Chip Shop Awards are about fostering and recognising creativity - no boundaries, no rules.

Because how do you get recognition for your talent when you haven't had the opportunity or the clients to demonstrate what you can do?

So rather than have anyone bend or break the rules of more exacting awards schemes, we decided the industry needed a platform where anything and everything was allowed. Got an idea that's brilliant but in horrifically bad taste? Enter it. Come up with an ad addressing an unspeakable news story? We want to see it. Know a client will never have the budget for your concept in a million years? Don't let it go to waste.

Whatever you're capable of, don't hold back. It could jumpstart your career as a serial provider of killer ads.

# CATEGORIES

## **BEST AD FROM THE FUTURE**

One day we'll have hover cars, teleporters and laser-powered toasters. This is your chance to create that great, iconic ad for a future product years before it hits the market.

## **BEST POLITICAL AD**

Pick a party, any party and write the ad that will get them into power. Unless that party's led by Jeb Bush. Seriously.

## **BEST VANDALISM OF AN EXISTING AD**

How could you amend an existing ad to make it better? We're looking for something a bit smarter than just drawing a cock on someone's forehead.

## **BEST USE OF HONESTY**

The ad industry has a terrible reputation for twisting the truth. Show the world some brutal honesty. Or can't you handle the truth?

## **BEST AD WITHOUT A HEADLINE**

Right, Art Directors, ditch your Copywriter and show us how good you are without them.

## **BEST AD WITHOUT A VISUAL**

Copywriters, you don't need that freeloading tosser. They're not even that good at drawing anyway. Show us that you can do the whole job with just a few words.

## **BEST AD FOR SOMETHING THAT DOESN'T NEED TO BE ADVERTISED**

You don't need ads for fresh air, your kidneys or the Higgs Boson. But why should that stop you?

## **BEST AD FOR A FRIEND OR RELATIVE**

This is the very soul of the Chip Shop Awards. Have you managed to get your uncle's plumbing business to say yes to an ad that a multinational would never be brave enough to run? C'mon! We want to see it!

## **BEST SHAMELESS SELF-PROMOTION**

You are the product. Do yourself justice. Simple as that.

## **BEST USE OF AN ALTERNATIVE MEDIA SPACE**

Lasers on the moon? A tattoo on a gallbladder? Graffiti on a private jet? Sometimes the media you choose is what makes the idea great.

## **BEST REJECTED CONCEPT**

If the bloody client didn't appreciate it, maybe our judges will. Or maybe they won't. But the only way you can tell is by sending it our way.

## **BEST WORK FOR A BRAND YOU HAVEN'T**

### **A HOPE IN HELL OF WINNING**

Who is your dream client? What would you do for them if you had the chance? Send it to us. Then return to the miserable reality that you'd never get the chance to work for them anyway.

## **BEST WORK FOR A CLIENT YOU HAVE, BUT HAVEN'T**

### **A HOPE IN HELL OF RUNNING**

Dig out those amazing ideas you've got tucked away in your bottom drawer and send them to us. Let the world appreciate what the client doesn't.

## **BEST SHOP WINDOW POSTCARD**

Let's go Lo-Fi. And old school. How creative can you be with the cheapest media space of all? This is a popular category! Let those creative juices flow.

# CATEGORIES

## **BEST CHARITY AD**

Can you help out a charity without showing sad children with flies in their eyes? Please do. Achieving that alone makes the world a slightly better place.

## **BEST CORPORATE IDENTITY**

When most logos are just a font and a colour, there's no lack of opportunity. Pick a corporate identity to improve. Or make up a company and show off your design licks.

## **BEST USE OF AN ANIMAL**

Fluffy and cute, large and ferocious or just ugly and wallowing in its own toilet - the world of nature offers us a world of creative possibilities. Show us.

## **BEST USE OF A CELEBRITY**

Pick anyone in the limelight and use them to sell a product. Anything's better than George Clooney drinking coffee.

## **BEST USE OF TECH FOR TECH'S SAKE**

For those who think that using a piece of technology is the same as having an idea, we're inviting you to come up with the most pointless and cliched digital boondoggle.

## **BEST PARODY**

Time for a bit of healthy satire. Take a famous ad and create a parody for us all to enjoy.

## **AD MOST LIKELY TO GET THE CHIP SHOP AWARDS IN SHIT CREEK**

Uh-oh. It's about to get real. Drop your taste-barrier and let your imagination go feral. We probably won't be able to show the best entries but we'll at least award the best ones.

## **CANNES LYIN' (NEW)**

Your take on any ad that was found to be fluffing the truth. Can apply to any ads that were entered into an awards scheme but never actually ran to the target audience or just plain made up and entered by the agency for an undeserved glory!

## **BEST BRAND APOLOGY AD (NEW)**

Real brands hold their hands up, admit they've done wrong and hope a shiny ad will help the world forget all about their little mistake. Who do you think should apologise and what's the best strategy?

## **BEST BREXIT BULLSHIT BUS (NEW)**

Spread your Brexit agenda by plastering a completely legitimate Brexit 'fact' or promise on the side of a bus. The British people trust buses more than they do politicians and journalists.

## **CHAIRMAN'S AWARD**

Every year we ask the chairman of the jury to pick their favourite entry. This is a prestigious gong to win. You don't need to enter this category. You just have to be brilliant.

## **GRAND PRIX**

This year the public will be voting for their favourite entry. And we'll be announcing the winner in a glamorous continental seaside location. But you probably won't be there.
